This will allow for a reduced number of service days from 400 to 200 per year. Additionally, if retired individuals are staffed in these positions, they are subject to Daily Wage Threshold (DWT) amounts that cannot exceed approximately 70% of their last year's daily rate. The salary costs for these positions would be approximately \$42,326, a reduction of \$80,557. It is also recommended the Board earmark \$60,000 of the savings to be disbursed in the following manner: \$30,000 to offset the cost of the school nurses working as part of our agreement with FCHD and \$30,000 to help support tuition costs, textbooks and other program enhancements for the Floyd County Early
